Welcome to **THE RAVEN**

Right in the heart of Glasgow...

Whether you're planning a celebration, a work event or night out, a big game-day gathering or simply an excuse to get the gang together, we've got the food, drinks, screens and atmosphere to make it happen.

From private hire in The Nest to matchday packages in The Raven Arena, we've got spaces and packages to suit groups big and small.

Expect Detroit-style pizza, loaded sharing plates, beer towers, cocktails, electric darts, live sport and plenty of reasons to stay for another round.

Whatever the occasion, bring your people. We'll bring the atmosphere.

WHY CHOOSE THE RAVEN?

Central Glasgow location

Situated only a short five-minute walk from Queen Street Station and a ten-minute walk from Central Station. Putting your party in the middle of the action!

The Raven Arena

If it's on, we'll show it. Our dedicated sports arena has everything from an 8-screen media wall, La-Z-Boy seating and Directors Booths for ultimate big-screen viewing. Not wanting to watch sport? The screens are yours! Movies, Presentations, your favourite TV shows & more.

Private hire

Take over The Nest for your own private space, complete with HDTV screens, pool table and private bar. Available for groups of up to 30 people.

Electric darts

Take your event up a level with an interactive darts oche — because nothing says team night out quite like settling the score over a few rounds of darts.

Food made for sharing

From our famous Detroit-style pizza to buffalo wings, loaded nachos, cheeseburger sliders and haggis bonbons, our packages are built for groups.

Something for everyone

Beers from across the world, cocktails, wine, spirits and a great selection of low & no options mean everyone can find their perfect pour.
